A Message from the CEO...

Fall is an amazing time of year. Every day is filled with beautiful colors and the anticipation of the holiday season ahead.

Each October, credit unions worldwide celebrate International Credit Union Day (October 17th) to honor their Members and the credit union difference. Unlike profit-driven financial institutions that are either privately owned or publicly traded, credit unions are not-for-profit cooperatives that are owned by their Members. That is why CFCU is more than a place to bank. It is a place where people come before profit, and are the primary focus. Thank you for your membership. We want to continue building relationships with you and your family that last a lifetime.

Sincerely,

Heather Fowler
