## A Message from the CEO...

The wait is over! Some of the new products and services we've been promising are here. We are pleased to announce our re-entry into the mortgage loan market and would love to finance your next new home or refinance your existing home for a better rate and lower payment. Call or come by to visit with us about your real estate financing needs.

Shared branching goes live on October 15<sup>th</sup>, giving our remote members access to more than 5,300 credit union branches throughout the country where they can conduct their deposits and withdrawals, make transfers and loan payments and more. Local members with accounts at other credit unions who are members of shared branching will also be able to conduct business on those accounts through our facilities.

Implementation has begun on a whole new online banking platform that will include mobile banking and remote deposit capabilities. You'll hear lots more on these new services as we get closer to the February 2016 launch date.

Thank you for choosing to do business with Cannon FCU where we offer A Better Way to Bank!

**AWESOME!**

Now that's a reason to celebrate. Cannon FCU is part of a network of credit unions called shared branching. As a member of this network, you have access to any of over 5,000 credit union branches in all 50 states. You can do transactions like deposits, withdrawals, transfers and loan payments, just like you would at your local branch.

There's also an app and website for finding a branch so you'll always know where the closest shared branch is when you are on the go.

Visit: [www.co-opsharedbranch.org](http://www.co-opsharedbranch.org)  
Download the apps on your smartphone, too.

## **Board Corner**

Ever thought of becoming part of the Board of Directors for Cannon Federal Credit Union? The Board of Directors is looking to get a list of potential candidates put together that we can pull from when we have a Board member leaving. This would not mean you are on the hook, but would be an individual that we could contact for an interview and potential appointment on the Board for the term of the departing Board member.

The process to get on the list is to contact me at [gtjones.cfcu@gmail.com](mailto:gtjones.cfcu@gmail.com). I will conduct an initial interview and provide you with some information about our Board and the Credit Union. If you are still interested then we would have an application for you to fill out with some basic questions to be put on file and add you to the list. When we have a Board member that is leaving we would then pull from the list, based on your answers on the application, and set up interviews to ensure we are selecting the best candidate for the position.

The Board of Directors is committed to serving the Members of Cannon Federal Credit Union and looks forward to hearing from you as a potential candidate.

Sincerely,  
George T. Jones IV,  
Chairman, Board of Directors

Christmas Club funds will automatically transfer into your savings account on Thursday, October 8th

## **CFCU Online Banking News!!**

CFCU has begun the process of changing online banking providers. Toward the end of October every online banking user will be prompted to change their pin. This is for online banking only. Your telephone access or debit card pin will not change. In early 2016, CFCU is rolling out our new online banking platform and mobile app. Updates will be posted on our website as the completion date approaches.
