Board Corner

2017 has proven to be another interesting year in the Credit Union World. We will continue to keep up with the many changes that are being made in the regulatory area as well as keeping the personal approach to taking care of your financial needs by providing one-on-one service as your needs require. If you have any questions or concerns please feel free to contact Heather Fowler or a Board Member.

Finally, we are in search of members who are interested in becoming a Board of Directors Member or a Supervisory Committee member. Both of these positions provide a vital service to the Credit Union. If you are interested or know someone who is, please contact me at gtjones.cfcu@gmail.com.

Sincerely,

George T. Jones IV

Chairman, Board of Directors

With shared branching, you'll have access to 5,500 branches in all 50 states.

And at least one that's close to campus. We are part of a national network of credit unions that share facilities, called shared branching. As a member, you can stop in and do transactions such as withdrawals, deposits and transfers at any of these branches - just like you would your hometown credit union.
