Board Corner

We continue to try and find ways to improve your experience at Cannon Federal Credit Union. If you have an idea that you would like the Board of Directors to look into please let us know.

Finally, we are in search of members who are interested in becoming a Board of Directors Member or a Supervisory Committee member. Both of these positions provide a vital service to the Credit Union. If you are interested or know someone who is, please contact me at gtjones.cfcu@gmail.com.

Sincerely,

George T. Jones IV

Chairman, Board of Directors

Exciting News from CFCU

- * We are looking at putting a drive-up ATM in Portales for added convenience for our members.
- * Have you been saving all of your coins, and just don't feel like counting and rolling them? CFCU's main office is purchasing a coin machine to serve our members' needs. We will update you once we have it up and running.

The Visa® Reloadable Vacation Card.

It's your passport to stress-free travel.

Now you can enjoy the benefits of a Visa® Reloadable Vacation Card. It's safer than cash and more convenient than traveler's checks and works just like a Visa® Debit Card.

You can use it to make purchases anywhere Visa® Debit Cards are accepted—including stores, online or by phone. You can also get cash at more than a million ATMs around the world. That makes it perfect for travelers on vacation.

Just load up the card and use it anywhere Visa® Debit Cards are accepted. It's safer than carrying cash, because even if it's lost or stolen, your money is protected. And there are no debt or interest charges or required minimum balances.

Best of all, you'll be less likely to overspend, since spending is limited to the preloaded amount on your card. You can even sign up for email and text message alerts to help you track your balance and manage your budget while you're away from home.

Just stop by any CFCU branch location to pick up your Visa® Reloadable Vacation Card today. And declare your vacation an official stress-free money zone.

CFCU's mobile app is fast – allowing you to get in, get out, and get on with your life. The mobile app has all the same great features as our desktop version with the added feature of remote check deposit. The mobile app is available for Android®, iPhone® and iPad®. Data rates from your wireless provider may apply.
