# A Message from the CEO...

These are exciting times indeed at your credit union. You've heard me talk about new products and services coming in the near future. Well, the future is getting really close! We are about to open an auto lending program that allows the whole financing deal to be completed while at the dealer. Nationwide mortgage lending is just around the corner. Ability to access your account through thousands of other credit unions around the country is in the works. You will also be able to access your other credit union accounts here! A whole new online banking platform with mobile banking and remote deposit (using your phone's camera) should be available near the end of the year.

We want to send a very clear message to our borrowers. Regardless of what you may have heard in the past, we are in the business of saying, "YES!" Our loan officers are trained to find ways to approve your loan requests and, while they're at it, look for other ways to save you money. Our current promotion allows us to beat your current auto loan rate from another lender by 2%, down to as low as 1.99%. Couple that with direct deposit and automatic loan payments and the question becomes why would you want to go anywhere else? Check out our newest loan promotion that could have you sitting in Cowboy Stadium on Thanksgiving Day.

Invite your family and friends to join Cannon FCU where we offer a better way to bank!

Check Six,  
Jim Fillman

### What's new at CFCU?

#### **Courtesy Pay Overdraft Protection**

Qualified members may now sign up for the CFCU Courtesy Pay Overdraft Protection Service. This Service allows approved members to overdraw their account with a fee. Save frustration, embarrassment, and possible snowballing fees. \$25.00 is the fee for each item paid (not to exceed \$250.00 daily) to pay debit card transactions, share drafts, and ACH items. Limits apply based on account type.

For more information contact a Member Services Representative today.

## Board Corner

Ever thought of becoming part of the Board of Directors for Cannon Federal Credit Union? The Board of Directors is looking to get a list of potential candidates put together that we can pull from when we have a Board member leaving. This would not mean you are on the hook, but would be an individual that we could contact for an interview and potential appointment on the Board for the term of the departing Board member.

The process to get on the list is to contact me at [gtjones.cfcu@gmail.com](mailto:gtjones.cfcu@gmail.com). I will conduct an initial interview and provide you with some information about our Board and the Credit Union. If you are still interested then we would have an application for you to fill out with some basic questions to be put on file and add you to the list. When we have a Board member that is leaving we would then pull from the list, based on your answers on the application, and set up interviews to ensure we are selecting the best candidate for the position.

The Board of Directors is committed to serving the Members of Cannon Federal Credit Union and looks forward to hearing from you as a potential candidate.

Sincerely,  
George T. Jones IV,  
Chairman, Board of Directors
