A Message from the CEO...

After much anticipation and extreme preparation, our new online banking platform and mobile banking were launched on schedule nearly 2 months ago. This project, spearheaded by Senior Operations Manager Jan Finch, involved more than 9 months of research and preparation to make sure we were bringing you the best of class. Credit Union staff were well trained and ready to handle any issue typically seen in conversions of this type. Our new vendor even had people on site at the credit union to assist. I was very pleased to hear them say our conversion was the smoothest they had ever seen.

If you've not taken the opportunity to look at this top notch service, including mobile banking and remote deposit capabilities, I encourage you to visit our web site at www.cannonfcu.org and check it out. If you have any difficulties getting signed up or logged in, our friendly staff is happy to assist.

Speaking of our web site, watch for major changes and improvements in the coming months. Give us a call if you need a loan for a car, home, vacation, debt consolidation or anything else. You'll find our rates and terms are usually the best you can find and you'll be dealing with local folks who care about improving your financial future and find a way to say, "You're approved!"

Thank you for choosing to do business with Cannon FCU where we offer
A Better Way to Bank!

Board Corner

Ever thought of becoming part of the Board of Directors for Cannon Federal Credit Union? The Board of Directors is looking to get a list of potential candidates put together that we can pull from when we have a Board member leaving. This would not mean you are on the hook, but would be an individual that we could contact for an interview and potential appointment on the Board for the term of the departing Board member.

The process to get on the list is to contact me at gtjones.cfcu@gmail.com. I will conduct an initial interview and provide you with some information about our Board and the Credit Union. If you are still interested then we would have an application for you to fill out with some basic questions to be put on file and add you to the list. When we have a Board member that is leaving we would then pull from the list, based on your answers on the application, and set up interviews to ensure we are selecting the best candidate for the position.

The Board of Directors is committed to serving the Members of Cannon Federal Credit Union and looks forward to hearing from you as a potential candidate.

Sincerely,
George T. Jones IV,
Chairman, Board of Directors
