2017 has proven to be another interesting year in the Credit Union World. We will continue to keep up with the many changes that are being made in the regulatory area as well as keeping the personal approach to taking care of your financial needs by providing one-on-one service as your needs require. If you have any questions or concerns please feel free to contact Heather Fowler or a Board Member.

Finally, we are in search of members who are interested in becoming a Board of Directors Member or a Supervisory Committee member. Both of these positions provide a vital service to the Credit Union. If you are interested or know someone who is, please contact me at gtjones.cfcu@gmail.com.

Sincerely,

George T. Jones IV

Chairman, Board of Directors
